The cost will be approximately \$200 per person—confirmation on this by October.

### Train the Trainer March 9-11 in Houston

For congregations that have hosted Camp Hope successfully for one or more years and want to lead their own training event. Send three or more leaders to this training to get ready to lead a cutting-edge training in your own congregation. The cost will be \$400 per congregation for up to 3 leaders. Additional leaders from one congregation will pay \$40 per person for food cost only. Registration does not include travel or housing in Houston. We will work with you to find host homes for housing if you register before January 15 for this training.
