

# Our Congregation is hosting Camp Hope Day Camp Ministries This summer!

**Camp Hope Day Camp Ministries** is a 20 years-old proven neighborhood outreach that is hosted in congregations that want to grow biblically literate children and youth. We will be part of a network of Camp Hope congregations across the country that are committed to student leadership and quality ministry that supports families during the summer.

This is a congregational ministry that will call on you for support. Camp Hope expects a committed year-long Ministry Team, Adult Mentors, High School and Young Adult staff, scholarship funding for campers with financial need and much more. So we will be doing this together.

Please start telling the parents you know that Camp Hope is coming! Let youth and young adults in your life know about staffing opportunities that will be available soon. There is great training available for young leaders and mentors.

Camp Hope fills a critical need in the summer — quality care for school age children and purposeful service and mentoring for youth. We are proud to be hosting Camp Hope this summer.
